

ADMINISTRATIVE POLICIES/PROCEDURES

Issuance No: A5
Issuance Date: 7/1/2023
Subject: Procurement Policy (Goods/Services/Service Providers)

The Workforce Development Board of North Missouri (WDB) shall abide by the purchasing / expenditures section of the NCMC Board Policy Manual **for procurement of goods/services**, which reads:

6.4. Purchasing/Expenditures and Investment Policies

6.4.1.1. General Procurement Standards:

6.4.1.2. The Board of Trustees authorizes the College President to administer the College purchasing policy in accordance with state and federal laws. The guidelines, as outlined below, shall be followed by the President or appropriate designee in approving College purchases.

6.4.1.3. Any purchase utilizing federal awards must conform to the procurement standards identified in 2 CFR 200.317 through 200.327;

6.4.1.4. The College President or appropriate designee shall maintain oversight to ensure that contractors perform in accordance with the terms, conditions, and specifications of their contracts or purchase orders;

6.4.1.5. The College President or appropriate designee shall maintain written standards of conduct covering conflicts of interest and governing the actions of its employees engaged in the selection, award and administration of contracts. No employee, officer, or agent may participate in the selection, award, or administration of a contract supported by a federal award if he or she has a real or apparent conflict of interest. Such a conflict of interest would arise when the employee, officer, or agent, any member of his or her immediate family, his or her partner, or an organization which employs or is about to employ any of the parties indicated herein, has a financial or other interest in or a tangible personal benefit from a firm considered for a contract.

6.4.1.6. Any officers, employees, and agents of the College may neither solicit nor accept gratuities, favors, or anything of monetary value from contractors or parties to subcontracts.

6.4.1.7. The standards of conduct must provide for disciplinary actions to be applied for violations of such standards by officers, employees, or agents of the College.

6.4.1.8. The College will maintain written standards of conduct covering organizational conflicts of interest. Organizational conflicts of interest means because of the relationships with a related organization, the non-Federal entity is unable or appears to be unable to be impartial in conducting a procurement action involving a related organization.

6.4.1.9. Purchases must avoid acquisition of unnecessary or duplicative items. Where appropriate, a lease versus purchase analysis will be made.

6.4.1.10. Purchases shall foster greater economy and efficiency, and in accordance with efforts to promote cost-effective use of shared services and to enter into state and local intergovernmental agreements or inter-entity agreements where appropriate for procurement or use of common or shared goods and services.

6.4.1.11. Purchases will encourage the use of federal excess and surplus property in lieu of purchasing new equipment and property whenever such use is feasible and reduces project costs.

6.4.1.12. Contracts will be awarded only to responsible contractors possessing the ability to perform successfully under the terms and conditions of the proposed procurement. Consideration will be given to such matters as contractor integrity, compliance with public policy, record of past performance, and financial and technical resources.

6.4.1.13. Records will be maintained in sufficient detail of the history of the procurement. These records will include, but are not necessarily limited to, the following: Rationale for the method of procurement, selection of contract type, contractor selection or rejection, and the basis for the contract price.

6.4.1.14. The College President or appropriate designee will be responsible, in accordance with good administrative practice and sound business judgment, for the settlement of all contractual and administrative issues arising out of procurements.

6.4.1.15. The College President or appropriate designee will take all necessary affirmative steps to assure minority businesses, women's business enterprises and labor surplus area firms are used when possible. Labor surplus firms can be located at <https://www.doleta.gov/programs/lsa.cfm>

6.4.2. Competition:

The College President or appropriate designee will ensure the following procedures are followed to ensure all procurement transactions are conducted in a manner that provides full and open competition.

6.4.2.1. Contractors that develop or draft specifications, requirements, statements

of work, or invitations for bids or requests for proposals must be excluded from competing for such procurements in order to ensure objective contractor performance and to eliminate unfair competitive advantage;

6.4.2.2. Procurements will be made in a manner that prohibits the use of statutorily or administratively imposed state, local, or tribal preferences in the evaluation of bids or proposals, unless mandated by an applicable Federal statute;

6.4.2.3. Procurements will have written procedures that ensure all solicitations contain: 1) a clear and accurate description of the requirements for the material, product, or service to be procured, not to include a description of features which unduly restrict competition (name brand); and 2) identify the requirements which must be fulfilled and factors to be used in evaluating bids or proposals;

6.4.2.4. Procurements will ensure that lists of prequalified contractors are current and include enough qualified sources to ensure competition; and

6.4.2.5. Non-competitive procurements will only be awarded in accordance with the Methods of Procurement identified in Section 6.4.3 below.

6.4.3. Methods of Procurement:

6.4.3.1. **Informal Procurement ~~Competitive Bid~~ Process**

6.4.3.1.1. Micro-Purchases: Purchases that cost less than \$3,000 in aggregate (per purchase) do not require the solicitation of multiple quotes or bids, although all reasonable efforts should be taken to ensure the lowest cost to NCMC. To the maximum extent practicable, micro-purchases should be distributed equitably among qualified suppliers. Micro-purchases shall be authorized by the appropriate department leader and Business Office.

6.4.3.1.2. Small Purchases: Purchases that cost \$3,000 but less than \$25,000 shall require at least three competitive written quotes. The written quotes shall be based on the same scope of service for the product or services to be obtained. Discounts shall be taken into consideration in determining the low bidder meeting all provided specifications. Purchases shall be awarded to the bidder providing the best products and/or services that are available for the lowest price consistent with specifications, as well as those minority and women's based businesses and labor surplus entities (see general procurement section). Quotations must be obtained from an adequate number of qualified sources as determined appropriate by the College. Written quotes, as provided by the potential vendor and obtained independently, shall be submitted to the College President for approval.

6.4.3.2. **Formal Competitive Bid Process for Items that cost \$25,000 or Greater** (in which price is the determining factor)

6.4.3.2.1. Sealed Bid: A Formal competitive bid process for any purchase of supplies, materials, equipment, or services with an estimated cost of twenty-five thousand dollars (\$25,000) or greater shall be purchased using a formal written bidding procedure as provided herein, with the bidder providing the best products and services that are available for the lowest price, meeting specifications.

Public Notice of Invitation: A Notice of Invitation for Bids shall be provided in the manner the Business Office deems most appropriate to the subject matter of the bid, with the objective of encouraging fair and unbiased competition. The notice shall be designed to secure a reasonable distribution to potential bidders and may include direct mail, electronic mail, College webpage, other online listing services, newspaper advertisements, and/or such other means as deemed appropriate. The notice inviting competitive bids shall be distributed and/or publicly posted at least five (5) business days preceding the last day for receipt of bids and shall include a general description of the products or services to be purchased; provide where bid forms, specifications, or other detailed plans may be obtained; and indicate the time and place for submission and opening of bids, along with NCMC's general terms and conditions.

Bidders and Suppliers List: The appropriate department leader shall review the bidders, seek potential bidders, and suppliers list for prospective bidders, and shall solicit bids from as many such bidders as is necessary to assure a reasonable distribution of the solicitation and adequate competition.

Bid Security Deposits or Surety Bid Bonds: When deemed necessary by the College or applicable state law, bid security deposits or surety bid bonds, or both, shall be prescribed in the Notice of Invitation for Bids.

(1) Returned Bid Security Deposit: An unsuccessful bidder who stands ready to perform according to the terms of its bid shall be entitled to the return of its bid surety deposit.

(2) Enforcement of Surety Bid Bond: The College shall seek enforcement of a surety bid bond according to its terms as set forth in the bid document.

(3) Surety Bid Bonds, listing in Federal Register: All surety bid bonds must be with companies listed in the Department of the Treasury Federal Register as surety companies acceptable on federal bonds.

Performance, Labor, and Material Payment Bonds: Where the nature of the contract is such that the College deems a performance bond necessary, or a bond is required by law, the Notice of Invitation for Bids shall specify the amount of bond that is required. The notice shall also specify that any bid submitted pursuant to said solicitation will be presumed to include the cost of the required bond. Surety Performance Bonds Requirement, Listing in Federal Register: All surety performance bonds and surety labor and material bonds must be with companies listed in the Department of the Treasury Federal Register, as surety companies acceptable on federal bonds.

Procedure for Receiving and Opening Bids: Bids shall be received in a sealed envelope, by the Business Office. Bids shall be opened and read aloud publicly by the Business Office and recorded in writing.

Bid Evaluation and Recommendations: The appropriate department leader shall evaluate the bids submitted, based on the evaluation criteria established in the bid solicitation, and provide a recommendation for award to their Cabinet designee who shall, within the shortest practicable time, confirm the recommended award or submit objections to the Business Office. Such objections shall include specific reference to the manner in which an alternate bid complies with the provisions of this section, or the request to rebid. The Business Office shall have the authority to reject individual bids, parts of all bids, or all bids for any one or more supplies or contractual services included in the proposed contract for failure to comply with the requirements of the invitation for bids or when the public interest will be served thereby, and may require the solicitation of new bids.

Recommend Award of Bid: The College President or ~~his/her~~ designee shall recommend to the Board of Trustees the award of the contract to the lowest and best bidder meeting specifications, unless all bids have been rejected as authorized by this policy.

Factors Which Shall Be Considered When Determining Lowest Cost and Best Bids Meeting Specifications: The following factors shall be considered in determining the bidder that provides the best products and/or services that are available for the lowest price meeting specifications (including but not limited to): cost, future maintenance cost, ability to perform, quality of past work, and compliance with laws and bid documents. A five percent preference may be granted to all firms, corporations, or individuals doing business as firms, corporations, or individuals within the NCMC service region.

6.4.3.2.2. Proposals: For certain professional services, the College may elect to issue a Request for Proposals (RFP) for the contracted services stating the nature and scope of the professional services to be provided, requirements to be submitted as part of the proposal, and a date and time by which the proposals shall be submitted to the College, along with NCMC's general terms and conditions. In making the determination of the lowest and best respondent to the RFP, NCMC shall consider such factors as the cost proposals, the project approach, risk assessment, reasonableness, history and resources of the respondents, and the timeline for the product or service. The President or appropriate designee shall approve all contracts up to \$25,000. All contracts of \$25,000 or greater shall be approved by the Board of Trustees.

The College will normally request proposals for contracted services such as professional services, consultants, banking services, auditors, bond counsel, investment bankers, maintenance contractors, and other related contracted services. However, the President may elect to either solicit proposals or negotiate for these services.

For architectural, engineering, surveying, and other certain professional services consistent with Missouri State law, a Request for Qualifications (RFQ) may be issued by the Business Office stating the nature and scope of the professional services to be provided, requirements to be submitted as part of the Proposal, and a date and time by which the proposals shall be submitted to the College, along with NCMC's general terms and conditions. The best respondent to the RFQ shall be selected based solely upon qualifications and then the cost negotiated as part of the final contract.

Public Notice of Invitation: A Notice of Invitation for Bids shall be provided with the objective of encouraging fair and unbiased competition. The notice shall be designed to secure a reasonable distribution to potential bidders and may include direct mail, electronic mail, College webpage, other online listing services, newspaper advertisements, and/or such other means as deemed appropriate. The notice inviting competitive bids shall be distributed and/or publicly posted at least five (5) business days preceding the last day for receipt of bids and shall include a general description of the services to be provided. The time and place for submission and opening of bids, along with NCMC's general terms and conditions will be provided.

Bidders and Suppliers List: The appropriate department leader shall review the bidders, seek potential bidders, and suppliers list for prospective bidders, and shall solicit bids from as many such bidders as is necessary to assure a reasonable distribution of the solicitation and adequate competition.

Procedure for Receiving and Opening Bids: Bids shall be received in a sealed envelope, by the Business Office. Bids shall be opened and read aloud publicly by the Business Office and recorded in writing.

Bid Evaluation and Recommendations: The appropriate department leader shall evaluate the bids submitted, based on the evaluation criteria established in the bid solicitation, and provide a recommendation for award to their Cabinet designee who shall, within the shortest practicable time, confirm the recommended award or submit objections to the Business Office. Such objections shall include specific reference to the manner in which an alternate bid complies with the provisions of this section, or the request to rebid. The Business Office shall have the authority to reject individual bids, parts of all bids, or all bids for any one or more supplies or contractual services included in the proposed contract for failure to comply with the requirements of the invitation for bids or when the public interest will be served thereby, and may require the solicitation of new bids.

All proposals are confidential until such time as a final contract has been awarded.

6.4.3.3. Non-Competitive Procurements: The following purchases shall be permitted without following the informal or formal competitive bidding procedures:

6.4.3.3.1. Micro-purchases of Less than \$3,000: Bids or quotes shall not be required on any purchase if the amount is less than three thousand dollars (\$3,000) made from any one business, person, or corporation.

6.4.3.3.2. Sole Source: Bids shall not be required when the items to be purchased can be obtained from only one source or cannot reasonably be provided by another source, such as a proprietary provider; after the solicitation of a number of sources and competition is determined inadequate; to ensure consistency and standardization with other existing equipment; or for other documented reasons. A sole source shall be determined by the Business Office.

6.4.3.3.3. Acquisition from Other Governmental Entity: Bids shall not be required when the items to be purchased are being obtained from another governmental entity.

6.4.3.3.4. Emergency Purchases: Bids shall not be required when the College President has declared the purchase to be an emergency. However, the emergency procurement should be made with as much informal bidding as practicable under the circumstances. The College President will notify the president of the Board of Trustees for approval in advance of the purchase being authorized for those twenty-five thousand dollars (\$25,000) or greater. Purchases made under the provisions of this subsection shall be presented as a Board item to the Board of Trustees at the next regular meeting for ratification.

6.4.3.3.5. Fixed Price Contractual Documents: Bids shall not be required when the items purchased are the subject of existing and current federal, state, or local government fixed price contractual documents, if the prices quoted in those documents are more advantageous than local market prices for like items. Before a purchase is made pursuant to this subsection which has a purchase price of twenty-five thousand dollars (\$25,000) or greater, the purchase shall be submitted to the Board of Trustees for approval.

6.4.3.3.6. President's Discretion: If the College President determines that a purchase is in the best interest of the College and the amount of the purchase is less than twenty-five thousand dollars (\$25,000), the purchasing process or procedure may be waived by the President in writing with rationale to be included in the purchasing document. Any purchases of twenty-five thousand dollars (\$25,000) or greater shall be subject to the competitive bidding procedure outlined herein.

6.4.3.4. Other Types of Purchases and Authority

6.4.3.4.1. Auxiliary Services Purchases: Purchases for resale items in auxiliary business units will be procured by the managers responsible for those functions in accordance with the process approved by the President.

6.4.3.4.2. Library Books and Materials: Library books and materials will be ordered direct from the appropriate vendors as recommended by library personnel in accordance with the process approved by the President.

6.4.3.4.3. Equipment Leases: When it has been determined that it is in the best interest of the College, equipment may be leased rather than purchased. The President shall approve all equipment leases up to \$25,000 per year. All equipment leases \$25,000 or greater per year shall be approved by the Board of Trustees.

6.4.3.4.4. Utilities and Postage: Procurement of standard utilities such as electricity, gas, water, etc. as well as postage shall not require Board of Trustees approval.

6.4.3.4.5. Purchases of twenty-five thousand dollars (\$25,000) or greater, regardless of the method of procurement, shall be presented for approval by the Board of Trustees. When a sole source item is being purchased, or if the President determines that it is in the best interest of the College and the amount of the purchase is less than \$25,000, or the purchase constitutes an emergency purchase, the President may authorize the purchase. In the case of emergency purchases, notification to the president of the Board of Trustees is required with ratification by the full board at the next regular Board meeting. The College President or appropriate designee may elect to utilize the state, local and other purchasing agreements that were competitively bid and are currently available to the College in lieu of taking bids. These agreements shall satisfy the competitive bidding requirement so long as they are consistent with NCMC policies, were procured in a competitive nature, or contain a "piggyback" clause permitting other organizations to purchase off of the same contract accessing the contract terms and values. Bids will normally be awarded to the vendor that submits the lowest, most responsive bid that meets all requirements of the specifications. However, the College has the right to reject any and all bids.

6.4.4. Purchase Requisition, Purchase Order, and Contract

6.4.4.1. *Purchase Requisition*: An approved Purchase Requisition is required before any goods or services are ordered, regardless of the method of procurement unless otherwise authorized through a Purchasing Card (P-Card) or an item authorized to be purchased and paid through a check request. For all purchases twenty-five thousand dollars (\$25,000) or greater, the Board of Trustees must approve the request prior to the purchase, unless provided for in NCMC policy. Adequate funding must be in place prior to the processing of the requisition as verified by the Business Office or appropriate designee.

6.4.4.2. *Purchase Order and Contract*: Once a Purchase Requisition is approved, a Purchase Order, and contract if applicable, will be issued by the Business Office to the vendor. This will be the official approval to proceed with the purchase. No work shall proceed until such time as the Purchase Order is issued and any applicable contract is fully executed.

6.4.4.3. *Bonds and Insurance*: In the event bonds and insurance are required as part of the scope of work set forth in the Notice of Invitation to Bid or Request for Proposals, the Business Office will be responsible for ensuring these are on file with the College prior to work commencing.

6.4.5. Receiving Goods and Services, Authorizing Payment

6.4.5.1. *Notice to Proceed*: A written notice to proceed will generally be provided to all vendors performing services or work upon full execution of a written Purchase Requisition or contract if required.

6.4.5.2. *Receiving*: The department requesting the purchase is responsible for verifying the goods, materials, or services were completed or received.

6.4.5.3. *Authorization for Payment*: Upon completion of the purchase and receipt of the goods, materials, or services; or upon partial completion as provided for in the scope of services or contract if applicable, the department requesting the purchase shall sign off on all invoices and forward for payment to the Business Office.

6.4.5.4. *Refusal to Pay*: In the event the goods, materials, or services do not meet the bid specifications, are damaged, or are otherwise unacceptable, the Business Office should be immediately notified. The Business Office will work with the vendor to rectify the issue, return the goods, or cancel the Purchase Order and/or contract.

6.4.6. Other Provisions

6.4.6.1. *Unauthorized Purchases*: Only authorized personnel may contract on behalf of the College. Any purchase not properly authorized will be considered invalid and the College shall not be financially responsible.

6.4.6.2. *Recommend Disqualification of Bidders*: The Business Office may recommend that the President, or appropriate designee, designate as irresponsible bidders, vendors who default on their bids or perform poorly on prior work, and disqualify them from receiving any business from the College for a stated period of time. Disqualification shall only be designated upon the inability or unwillingness of the vendor to remedy the issue with adequate documentation on file to support such disqualification.

6.4.6.3. *Maintain Records of Bidders*: The Business Office shall maintain records of bidders which shall list all persons, firms and corporations which have applied for that listing.

6.4.6.4. *Conflict of Interest*: With prior approval of the College President, NCMC may transact business with vendors that have a direct/indirect, personal, professional, business, financial, or family interest/relationship with College personnel. If the business

transaction involves the College President and/or his family, it must be approved by the president of the Board of Trustees.

6.4.6.5. *Vendor Drafting Bid Specifications, Disqualification*: No contract shall be awarded to any person, firm, or corporation, whether or not any valuable consideration has been provided for any services in connection with the development of the contract's bid specifications, unless upon recommendation of the Business Office and approval by the Board of Trustees that such award is in the College's best interests, unless otherwise prohibited by law.

6.4.6.6. *Records*: The Business Office shall keep a written or electronic record of all purchases accomplished under this section and all bids submitted in competition for those purchases, and those records shall be open to public inspection. Each such record shall describe the means by which the bid was received and any specific considerations or conditions attached to the bid and/or product or service, the number of respondents, and the successful bidder.

6.4.6.7. *Use of Logo*: Use of the College name or logo requires authorization of the marketing department. The College name or logo may not be used to promote any product, opinion, cause, or political candidate. Representation of personal opinions as those of the College is prohibited.

6.4.6.8. *Federal Award Programs*: The director of a federal award program shall determine the allocability, allowability, and reasonableness of costs in accordance with the provisions of the applicable federal cost principles and the terms and conditions of the award. Final approval of expenditures shall be made by the NCMC Board of Trustees in consultation with the Vice President for Business and Finance and College President.

6.4.6.9. Federal award programs should also follow the additional guidelines found in the North Central Missouri College Consolidated Guidance for Federal Grant Management, which is available from the Business Office.

For the procurement of service providers (i.e. WIOA Adult, Dislocated Worker, Youth, One-Stop Operator, TANF SkillUp, Jobs League, etc.), the following policy is established.

To ensure full and open competition for the provision of services, the Workforce Development Board (WDB) has established the processes outlined below. These processes comply with 2 CFR Part 200.318-327; TEGL 35-10; and current OWD Issuance.

A DRAFT Request for Proposals solicitation document will be presented to eligible Workforce Development Board members for their review and approval prior to release to the public.

Advertisement/Notification:

To foster competitive procurement, the WDB maintains a list of potential bidders to receive a copy of the Request for Proposals either in hard copy or electronic format. That list is updated periodically as the WDB becomes aware of new/different organizations that might have an interest in providing services. The notice of Request for Proposals is also posted on the WDB website (www.wdbnorthmo.org).

Proposal Response Time:

The notice of Request for Proposals is publicly posted on the WDB's website no less than 30 days prior to the proposal submission deadline. With the announcement of the solicitation for proposals, potential bidders are provided a brief background on the program services to be proposed by service delivery area; the projected amount of funds available for the program(s) being solicited; instructions to obtain a copy of the proposal; the application submission address and deadline; date/time the proposals will be opened at the WDB office; and instructions for questions regarding the Request for Proposals and/or process.

Proposal Evaluation:

WDB staff will develop an evaluation (score) sheet based on criteria required for successful performance of the program. This evaluation sheet will be part of the proposal solicitation document. Evaluation factors considered shall include: completeness and timeliness of proposals (all the required elements are addressed/attached and the proposal was received prior to deadline expiration); organizational experience and capacity, reasonableness of costs; performance targets; probability of achieving proposed targets; and compliance with WIOA (if applicable).

Conflict of Interest Policy:

Each Workforce Development Board member, committee member, staff member, and sub-recipient staff member is required to sign and adhere to the WDB's Conflict of Interest/Code of Conduct policy. The introductory statement of this policy reads:

“Statement of Policy: *It is the policy and expectation of the Workforce Development Board of North Missouri (WDB) that its Members will fulfill the fiduciary duties applicable to their service as Members of the WDB. Due to the legal and statutory structures of the WDB, it is expected that conflicts of interest will arise and this policy is intended to provide a framework that will allow the work of the WDB to be achieved without the fact of or appearance of impropriety. Where this document references “Member” it shall mean any agent, WDB employee, WIOA sub-recipient employee, officer, Committee Member, Ex-Officio, non-voting Member and Board Member. “*

The intent of the policy is to prevent any obvious or perceived conflicts of interest in selection of service providers and conduct of business at board meetings. Each member is also required to complete and sign a disclosure of interest statement declaring conflict(s) of interest as appropriate.

Review of Proposals:

For WIOA (Adult and Dislocated Worker programs and the One-Stop Operator), members of the Workforce Development Board will be selected to serve on the selection review committee. Members of the review committee will receive the RFP guidelines, copies of the proposals received, and a copy of the proposal evaluation sheet. Committee members who represent an agency which has submitted a proposal for consideration will not be eligible to serve on the review committee. WDB staff and committee members will independently review and score each proposal. Each committee member will be assigned a randomly-generated evaluator code to use when scoring proposals.

Chapter 610, Missouri Revised Statutes, also known as the Sunshine Law, provides authorization for closing meetings and records under very prescribed circumstances. Chapter 610.021(11) states “...*a public governmental body is authorized to close meetings, records and votes to the extent they relate to the following...specifications for competitive bidding, until either the specifications are officially approved by the public governmental body or the specifications are published for bid*”; and Chapter 610.021(12) states ...“*For the purpose of sealed bids and related documents, until the bids are opened; and sealed proposals and related documents or any documents related to a negotiated contract until a contract is executed, or all proposals are rejected...*” When the DRAFT requests for proposals document is reviewed by the full WDB, the WDB reserves the right to close that portion of the WDB business or special meeting. Likewise, when eligible WDB Executive and/or Review Committee Members meet to review proposals received, the WDB reserves the right to close those Committee meetings in accordance with the Missouri Revised Statutes (Sunshine Law) cited above.

Award Recommendation:

Members of the selection review committee and WDB staff will meet and discuss the results of the evaluations which will then be combined with an overall evaluation determined for each submitted proposal. A vote is cast in committee to recommend selection for contract award to the full board.

Award/Non-award Notification:

Each proposer that submits a response to the RFP solicitation will be notified via electronic correspondence with a letter of award/non-award based on the decision made by majority vote at the board meeting.

In the event of no response to a Request for Proposals:

The competitive procurement process identified in 2 CFR Part 200.318-326; TEGL 35-10; and current OWD Issuance will be followed in every instance of service provider procurement. In the event the Workforce Development Board does not receive a response to a Request for Proposals solicitation after following competitive procurement procedures, the WDB reserves the right to solicit proposals from existing service providers or to appoint an existing service provider for contract award.

All such contracts are subjected to a thorough competitive solicitation process with a risk assessment completed prior to contract award.

The WDB may choose to utilize existing contractors for any additional funding to the region to serve similar target populations.

The Workforce Development Board of North Missouri is an equal opportunity employer/program. Auxiliary aids and services are available upon request to individuals with disabilities.
