RE: One Stop Operator Contract

Dear Brent Stevens,

I am writing to let the Board know that GHRPC will not be able to continue the services under the One-Stop Operator contract past 6/30/2024. GHRPC appreciates the partnership we have with the Workforce Board to provide services to job seekers and businesses in the region. Our staffing situation and time committed to other projects has changed and we can no longer provide the time needed for the Operator services across North Missouri.

GHRPC will be available to continue services until the end of the current program year and assist with the One-Stop Certification as needed.

We are still committed to the region as a WIOA provider of Adult, Dislocated Worker and Youth Services and look forward to continued partnership with the Board.

Sincerely,

Corinne Watts
