

# ADMINISTRATIVE POLICIES/PROCEDURES

Issuance No: P-1  
Issuance Date: 7/1/2023  
Subject: Adult Priority of Service

---

## **Introduction**

The purpose of this policy is to define a priority of service for the WIOA Adult program operated in this region.

WIOA Section 134(c)(3)(E) identifies three priority groups: recipients of public assistance, other low-income individuals, and individuals who are basic skills deficient.

## **Priority of Service Order**

**Priority 1** - Veterans and eligible spouses who are included in one or more of the priority groups identified by WIOA.

**Priority 2** – Non-Veterans who are included in one or more of the priority groups identified by WIOA.

**Priority 3** – Veterans and eligible spouses who are not included in a WIOA priority group but meet the region's modified income requirements and need additional assistance in obtaining or retaining employment.

**Priority 4** – Non-Veterans who are not included in a WIOA priority group but meet the region's modified income requirements and need additional assistance in obtaining or retaining employment.

**Priority 5** – All individuals who are not included in a WIOA priority group and do not meet the region's modified income requirements need additional assistance in obtaining or retaining employment.

## **Guidelines**

- There are no income guidelines for adults to be eligible for basic career services.
- Wagner-Peyser and WIOA funds are used to provide Career Services. Both Wagner-Peyser and WIOA staff will provide Basic and Individualized Career Services to customers. Any Career Service provided by WIOA-funded staff not defined as self-service or informational-only, requires enrollment in the WIOA program for which the participant is determined eligible.
- WIOA regulations require that a minimum of 50.1% of WIOA Adult participants who receive individualized career services or training level services meet the first

two priority groups. The Board will monitor enrolments on a regular basis to ensure this requirement is met.

- Individuals who receive individual career services or training services under priority levels 3 through 5 require a waiver to be approved by the WDB Executive Director or their designee prior to delivery of the service. The waiver must indicate one of the following:
  - Conditions exist that prevent the participant from maintaining self-sufficiency due to reduction of work hours or employment in a declining industry within the region.
  - The individual has a need for additional training to learn new skills related to new technologies and/or processes necessary to retain or obtain new employment leading to self-sufficiency.
- WIOA is not an entitlement program. Meeting eligibility requirements is not a guarantee of approval of assistance. Both the availability of and level of any assistance approved are determined by each individual's respective needs, as well as the availability of funding.

## **Definitions**

### **Recipients of Public Assistance**

For the purposes of WIOA, a public assistance recipient includes an individual (or an individual who is part of a family) currently receiving, or who in the past 6 months has received assistance through (any of the following programs):

- Supplemental Nutrition Assistance Program (SNAP)
- Temporary Assistance for Needy Families (TANF)
- Supplemental Security Income (SSI); or
- Any other State or local income-based public assistance

### **Other Low-Income Individuals**

WIOA sec. 3(36) defines a low-income individual as someone who receives public assistance as described above or:

- Is in a family with total family income that does not exceed the higher of—(I) the poverty line; or (II) 70 percent of the lower living standard income level;
- Is a homeless individual (as defined in section 41403(6) of the Violence Against Women Act of 1994), or a homeless child or youth (as defined under section 725(2) of the McKinney-Vento Homeless Assistance Act);
- Receives or is eligible to receive a free or reduced price lunch under the Richard B. Russell National School Lunch Act;
- Is a foster child on behalf of whom State or local government payments are made; or
- Is an individual with a disability whose own income meets the income requirement, but who is a member of a family whose income does not meet this requirement.

## Individuals Who Are Basic Skills Deficient

WIOA sec. 3(5) defines basic skills deficient as referring to an individual:

- Who is a youth with English reading, writing, or computing skills at or below the 8th grade level on a generally accepted standardized test; or
- Who is a youth or adult, that is unable to compute or solve problems, or read, write, or speak English, at a level necessary to function on the job, in the individual's family, or in society.

\* Note: Individuals who are English language learners meet the criteria for "basic skills deficient" and must be included in the priority populations for the Title I Adult program. See TEGL 19-16 for the definition.
